

Good Times Roll

The Cars

Let the good times roll
Let them knock you around
Let the good times roll
Let them make you a clownLet them leave you up in the air
Let them brush your rock and roll hairLet the good times roll
Let the good times roll
Let the good times rollLet the stories be told
Let them say what they want
Let the photos be bold
Let them show what they wantLet them leave you up in the air
Let them brush your rock and roll hair
Let the good times roll, let the good times roll
Won't you let the good times roll?Good times rollIf the illusion is real
Let them give you a ride
If they got thunder appeal
Let them be on your sideLet them leave you up in the air
Let them brush your rock and roll hair
Let the good times roll
Won't you let the good times roll?
Let the good times rollLet the good times roll
Won't you let the good times roll?
Well, let the good times roll
Let 'em roll
(Good times roll)Let the good times roll
Oo, let the good times roll
Oo, let the good times roll
Let 'em roll
(Good times roll)Well, let the good times roll
(Let the good times roll)
Well, let the good times roll
Good times roll
(Let the good times roll)
Let the good times roll
Let 'em roll
