Little Voice

Hilary Duff

I won't tell you what I'm thinking
'Cause it's not the same thing you're thinking tooYou could say I got a best friend
And she's always tellin' me what to doShe's out of sight but easy to find
She's in the front of our minds[Chorus]

The little voice in my head
Won't let me forget
The little voice in my head
Is never misled

All of this noise is what

Keeps me from making a mess

The little voice in my head

Just won't let me get with youLa la la

La la la la la la la la la la When I see you I admit

I start to lose my grip

And all of my cool

Ya' smell so sweet

Just like my perfume

What have you been doing since I left youYou're always there in my thoughts But that doesn't mean that it's on[Chorus]I know I sound insane like I'm playin' games 'Cause all I really want is you

But there's some things a girl won't doOh oh!The little voice, the little voice![Chorus]
