Darlin'

Jocie Adams

How much do you think?
How many tears do I have to drink?
How much do I have left?
How much blood in one man's chest?

Darlin'
Will you let me call you let you Darlin'?
When will you let me call you Darlin'?
Please
Darlin'
Will you let me call you let you Darlin'?
When will you let me call you Darlin'?
It's what I need.

How much do you want?
Does it depend on what I've got?
How much longer can this go
if I'm not sure and you don't know?

Darlin'
Will you let me call you let you Darlin'?
When will you let me call you Darlin'?
Please
Darlin'
Will you let me call you let you Darlin'?
When will you let me call you Darlin'?
It's what I need.

Darlin', Darlin', I'm just out here ringing bells
Darlin', Darlin', am I supposed to prove myself
If you won't let me prove myself?
