

# Last Exit To Eden

Amanda Marshall

The walls are thin here in this motel room  
Some fool is raging overhead  
He's preaching the gospel according to  
    Johnnie Walker Red  
Four hundred miles talking to myself  
Me and your memory end up here  
I tell myself I'm gonna be alright  
    But it's still not clear  
    Did I just miss  
    The last exit to Eden?  
Is this the only love I'll know  
    Like a Judas kiss?  
Did my heart betray me  
Back on the road I never chose?  
There are some sins that you can justify  
    But not the one I'm guilty of  
I had a choice one last chance ago  
    But I turned my back on love  
    Did I just miss  
    The last exit to Eden?  
Is this the only love I'll know  
    Like a Judas kiss?  
Did my heart betray me  
Back on the road I never chose?  
I can hear a man upstairs, he's crying out  
Fall on your knees, the end is near  
We both may need a savior, tonight I fear that mine  
Is the one that I left waiting far from here  
    Did I just miss  
    The last exit to Eden?  
Is this the only love I'll know  
    Like a Judas kiss?  
Did my heart betray me  
Back on the road I never chose?  
    Did I just miss  
    The last exit to Eden?  
    Did I just miss  
My only way out of here?  
    Did I just miss

The last exit to Eden?

Did I just miss

My only way out?
