Fly Or Die

Rock Mafia

Uh huh, uh huh, uh huh
Fly, this is for the kids
This is only for the kids
C'mon
Mommy, Daddy
I know you love me
Bad grades, playstation, restriction
You took it from me
But God forbid
Something goes wrong
You call the police
Well guess what
I found in the drawer of daddy's?
Oh God oh God
Oh God oh God
Oh God oh God
Hey c'mon
It won't be long
Till you see me on the news
Another soul lost at sea
While takin' a cruise
Gaspin' for air makes the righteous path
Harder to choose
Well if he'd fly or die, sink or swim
Which one shall I choose?
Yeah
Stupid shrink gets paid
By the hour, 350
He can't figure out
What's wrong with me
Dumbass girlfriend
Fucked my friend
She's a hoe
Try tellin'
Mom and dad
But they're more concerned with the portfolio
Oh God oh God
Oh God oh God
Oh God oh God

Hey c'mon
It won't be long
Till you see me on the news
Another soul lost at sea
While takin' a cruise
Gaspin' for air makes the righteous path
Harder to choose
Well if he'd fly or die, sink or swim
Which one shall I choose?
Yeah
Now I'm in with the negotiator
And he says to me
"You don't wanna die boy
It's not the right time
You have a bright mind
You'll do great things in your lifetime
I scream "No!" I beat his ass
He turn around, I seen his wing twing
And just then the bell rings
I was in the school, it was just a dream
Oh God oh God
Oh God oh God
Oh God oh God
Hey c'mon
It won't be long
Till you see me on the news
Another soul lost at sea
While takin' a cruise
Gaspin' for air makes the righteous path
Harder to choose
Well if he'd fly or die, sink or swim
Which one shall I choose?
Yeah
It won't be long
Gaspin' for air makes the righteous path
Harder to choose
Fly or die, sink or swim
Which one shall I choose?
Yeah
