I'll Make Love To You Anytime

Eric Clapton

Well I can't read and I can't write
And I don't know my left from rightI can't tell if the sun's gonna shine
And I don't know if you'll ever be mine
But I'll make love to you
Any old time at allI can't swim and I can't fly
I ain't no fish, ain't a bird in the skyAnd I can't tell if the sun's gonna shine
I don't know if you'll ever be mine
But I'll make love to you
Any old time at allI can't count from one to ten
And I don't know the shape I'm inI can't tell if the sun's gonna shine
And I don't know if you'll ever be mine
But I'll make love to you
Any old time at all
