Keep On Walkin'

CeCe Peniston

You can just walk on, keep onSittin, waitin, anticipatin
Waiting for your call
Tossin, turnin, my heart's burnin
From the things I saw
I'm sorry baby, you can't play me
I just can't be used
I'm so fed up, time to get up
Baby we are throughBRIDGE:
I thought that what we had would never end
Now it's too late, my heart won't mend
And although what we had was good
I've got to make this understoodCHORUS:
Keep on walkin, I ain't talkin to you
Keep on walkin, keep on walkin (you can just go on)
Keep on walkin, I ain't talkin to you
Keep on walkin, keep on walkin (you can just go on)
We ain't talkin no moreI thought I told you it was over
Why are you confused?
Made your choice and now I'm voicing
My opinion to you
I think you're crazy
To try to play me for a foolish girl
You'll soon discover
You're not the only lover in this worldBRIDGECHORUSYou, you can just walk on
You, you can just keep onBRIDGEI know, I know, I know, I know it's just too late
I know, I know, I know, I know it's just too lateCHORUSYou can just go, you can just go, you can just go,
You can just go, you can just go, you can just go,
Oh oh oh oh yeah, Oh oh oh oh yeah (2x)
