

Carry On Phenomenon

Kishi Bashi

What a beautiful life away, naked from all the Apollonians
For the radiance, shines on and on, and on and on and on and on
When endowed with promises, majestic with all the stallions
But the fateful truth burns on and on, and on and on and on and on, on and on
When in doubt you made me stay connected in with the beyond and on
Like when the radio, plays on and on, and on and on and on and on, on and onSo the earth would dry of song if I
sang you on, Carry on!
Carry on phenomenon
So you got the best of me, So amazingly, Carry on!
Carry on phenomenonOh the way that you waved to me, it awakened me, in shock and awe
During the reigning age of Solomon and on and on and on...
My nefarious state of mind illuminate in every song
For your serenade plays on and on, and on and on and on and on, on and onSo the earth would dry of song if I
sang you on, Carry on!
Carry on phenomenon
So you got the best of me, So amazingly, Carry on!
Carry on phenomenon
