we care a lot

Aeox

We care a lot.
We care a lot.
We care a lot about disasters, fires, floods, and killer bees.
About the nasa shuttle falling in the sea.
We care a lot about starvation and the food that live aid bought.
We care a lot about disease baby rock, Hudson, rock.
Woah! Oh its a dirty job but someones gotta do it.
Oh its a dirty job but someones gotta do it.
We care a lot.
We care a lot.
We care a lot about the gamblers and the pressures and the geeks.
WE care a lot about the smack and crap and wack that hits the streets.
We care a lot about the wellfare of all you boys and girls.
We care alot about you people cuz we're out to save the world.
Yeah!
Well its a dirty job but someones gotta do it.
Oh its a dirty job but someones gotta do it.

Said its a dirty job but someones gotta do it.
Oh its a dirty job but someones gotta do it.
Oh its a dirty job but soneones gotta do it.
Oh its a dirty job but someones gotta do it.
Oh its a dirty job but someones gotta do it.
Said its a dirty job but someones gotta do it.
We care a lot about the army navy airforce and marines.
We care a lot about the ny sf and lapd.
We care a lot about you people.
We care alot about your guns.
We care a lot about the wars we're fighting. Gee that looks like fun!
We care a lot about the garbage pail kids, they never lie.
We care a lot about transformers because theres more than meets the eye.
We care a lot about the little things, the bigger things we top.
We care a lot about you people, yeah you bet we care a lot.
Yeah!
Said its a dirty job but someones gotta do it.
Well its a dirty job but someones gotta do it.
Said its a dirty job but someones gotta do it.
Well its a dirty job but someones gotta do it.
Well its a dirty job but someones gotta do it.

Said its a dirty job but someones gotta do it.
Said its a dirty song but someones gotta sing it.
Woah!
