i know your holding tomorrow, so i will trust you today, you may not keep us from sorrow, but i know you will never ever change! you overcome the world! rescue my soul! i don't have to worry! cause whatever comes, your in control! forever! i will worship you! i'm amazed by the thing you have done! come and overcome! our King so awesome and worthy, i know you knew the great cost! your heart was filled with such mercy! with that love, you rejoiced the cross! overcome the world! rescue my soul! i don't have to worry! cause whatever comes, your in control! forever! i will worship you! i'm amazed by the things you have done! well come and overcome! by all mighty and the power you display, though life is hard still in my heart i have come to reachout, have failed! to overcome the world, rescue my soul, i don't have to worry, no, cause your in control! forever! i will worship you! im amazed by the things you have done! you've overcomed the world! you've overcomed the world! you've overcome the world!
