Home

Set Sail

Tell me
what it is you're running from
'cause your fear is just a shadow in the sun
Tell me
everything you're hiding from
'cause your fear is all that's keeping you from love

You are
ho-o-ome, ho-o-o-o-ome x4

Tell me
everything you're dreaming of
its the dreams that make your eyes like heavy fog
Reason
give me one good reason
why you're sleeping in the middle of your season

You are
ho-o-ome, ho-o-o-o-ome x8

You've spent your life looking for a home
just stop where you are.
You've spent your life looking for a home
just stop where you are.

You are
ho-o-ome, ho-o-o-o-ome x8
