Sally Mae

John Lee Hooker

Sally Mae, Sally Mae
Lord, you know you ain't done me right
Sally Mae, Sally Mae
Lord, you know you ain't done me right
You stay out all night long
Don't do a thing but run aroundLord, you know I love you
That's why you treat me like you do
Lord, you know I love you
That's why you treat me like you do
You stay out all night long
Lord, you don't do a doggone thingYes, I dig that woman
Yes, I digged her all night long
Yes, I dig that woman
Yes, I digged her all night longLord, you ought to change that Sally Mae
You ought to change in your younger daysYou don't know Sally Mae
Lord, you know you ain't done me right
Yes, you know little woman
Lord, you know you ain't done me right
Lord, you gonna doggone thing baby
But then your report takes him down
