Thursday

David Todd Singleton & Ryan Parke

THURSDAY
(Ga,ga, ga, ga,ga, ga, ga, ga, ga) (Ga, ga, ga, ga, ga, ga, ga,)
It was a Thursday
When we first met
When no one even knew my name It was the first day
One that I won't forget
And now I'll never ever be the same
When the love of your lifetime walks right up to you And a hundred million reasons fill your mind
Not to do the one you know you want to do
Holdin' out for what will stand the test of time
(Chorus)
On Monday you fell apart
On Tuesday, nothin' nothin' nothin' new On Wednesday, into the dark
But on Thursday, you fell in love
I'm glad today, I found you
Glad you're okay â€“ hey, hey, hey, hey, hey Searched everywhere to find you
Now here you stand
Where it all began
On a Thursday
(Chorus 1x)
(Bridge)
When I was a little (girl)(boy), I had a dream
A dream of what love should be
Words & Music Â© 2013 David Todd Singleton Ryan Parke
Simple and free
Now that I am old and wise I think that I was wrong
It takes more than this Sometimes it seems so long
On Monday
We fell apart
On Tuesday
Nothin' nothin' nothin' new On Wednesday
Into the Dark But, on Thursday We fell in Love!
On a Thursday!
