Love & Emotion

Gino Vannelli

There's nowhere to run from the heat of the sun
There's nowhere to hide from your face
Black is the night, won't you show me the light
The road only leads to one placeFor your love and emotion
I promise you love till I die
Faith as deep as the ocean
Keeps me believin' you're aliveThere's nowhere to run from the things that we've done
There's nowhere to hide from the truth
Something is wrong when my woman is gone
My world ain't no good without youFor your love and affection
I give you my soul for all time
Faith as high as a mountain
Keeps me believin' you're mineFor your love and emotion
I promise you love till I die
Faith as deep as the ocean
Keeps me believin' you're aliveFor your love and emotion
For your love and emotion
For your love and emotion
