life With You

shack

When I was a younger man
When I was a silly boy
I didn't need a thing
I was strong as anything
I viewed solitude as a joy
But since I met you I'm distraught
You wandered in and now I'm caught
I never thought I would see
Someone so truly good
Someone who's so everything I'm not
I want to spend my life with you
Don't want to live all alone
I can't conceive of the years left to me
Without you in our home
But what if, what if, what if, what
If it's not perfect then it's not
But every care I take
Nothing I won't forsake
To [Incomprehensible] decide what you've got
Every time I think about you
I think I can't live without you
I tell you something
I am nothing without you
I want to spend my life with you
Don't want to live all alone
I can't conceive of the years left to me
Without you in our home
I want to spend my life with you
Don't want to live all alone
I can't conceive of the years left to me
Without you in our home
Without you in our home
