

# She Believes In Me

Sarah Jory

While she lays sleeping  
I stay out late at night and play my songs  
And sometimes, all the nights can be so long  
And it's good when I finally make it home  
All alone  
While she lays dreaming  
I try to get undressed without the light  
And quietly she says, "How was your night?"  
And I come to her and say, "It was all right"  
And I hold her tight  
And she believes in me  
I'll never know just what she sees in me  
I told her someday, if she was my girl  
I could change the world with my little songs  
I was wrong  
But she has faith in me  
And so I go on trying faithfully  
And who knows maybe, on some special night  
If my song is right, I will find a way  
Find a way  
While she lays waiting  
I stumble to the kitchen for a bite  
Then I see my old guitar in the night  
Just waiting for me like a secret friend  
And there's no end  
While she lays crying  
I fumble with a melody or two  
And I'm torn between the things that I should do  
And she says to wake her up when I am through  
God, her love is true  
And she believes in me  
I'll never know just what she sees in me  
I told her someday, if she was my girl  
I could change the world with my little songs  
I was wrong  
But she has faith in me  
And so I go on trying faithfully  
And who knows maybe, on some special night  
If my song is right, I will find a way

While she waits, while she waits for me
