Hang You Up

Yellowcard

I cannot hold this anymore
My hands are tired of only waiting to let go
And I am waiting stillI used to know which way to turn
You were a light inside a tunnel in my head
I try to follow still, I try to follow stillIt's hard to see you, we are older now
And when I find you, you just turn around
This is a black and white of you I've foundI hang you up and then I pull you down
I hang you up and then I pull you downNo more apologies from me
My arms are tired of picking up what I put down
You're all I think of stillI'm gonna miss you everyday
I turn my back on anyone who won't believe
And it gets lonely still, it gets lonely stillIt's hard to see you, we are older now
And when I find you, you just turn around
This is a black and white of you I've foundI hang you up and then I pull you down
I hang you up and then I pull you downI get lost sometimes, another year flies by
But I know if I try memories of the light in your eyes
Can take me back in timeIt's hard to see you, we are older now
And when I find you, you just turn around
This is a black and white of you I foundI hang you up and then I pull you downIt's hard to see you we are older now
(We are older now)
And when I find you, you just turn around
(You turn around)
This is a black and white of you I found
(You I found)I hang you up and then I pull you down
(Pull you down)
I hang you up and then I pull you down
(Pull you down)I hang you up and then I pull you down
(Pull you down)I don't hear music anymore
My ears are tired of all the pictures in the words
'Cause you are in them still
