Molly Brown, waits for me In a little one-horse town And Boley, Oklahoma Where white folks don't come aroundI'm thinkin' about you, Molly I'm forbidden to come 'round Lord knows I love you, Molly Molly BrownMolly Brown, Molly Brown Lay down by my side Show me how you spread your wings And let that pony rideI'm crazy about you, Molly I don't care that your skin is brown Lord knows I need you, Molly Molly BrownMolly Brown Oh, Molly BrownWe met down by the river She wore her wedding gown I never saw it coming And no one heard the soundMy daddy used both barrels And left me there to drown Lord knows I'd die for Molly Molly BrownMolly Brown, Molly Brown Don't you weep for me I'm going to a place the Lord Prepared for you and meI'll meet you up in Heaven Upon that Holy ground I'll be waitin' for you, Molly Molly Brown Molly Brown, Molly Brown Lord, I'll be waitin' up in Heavenly
