

# The Wilderness

## Eljai

The word is told, now  
Word is said  
Word is old, now  
And the stone is bread  
Heart is bone, now  
The heart is flesh  
The heart is known, now  
And the no is yes  
And all we hold  
Is only in the past

Song is cold, now  
The song is spent  
The song is sold, now  
And the thought is rent  
Bird is flown, now  
The bird is fled  
The bird is gone, now  
And the wind is fed  
And all we hold  
Is only in the past
