Famous

Juliette Reilly

Most days I don't know what I want
When somedays lead to somedays I won't give this up
They say you need it to succeed
You must be ruthless
Golden Dreams expensive things are cool but the truth is

I don't want to be famous
Don't put my name up in lights
Don't want to know what the pain is
When you call my name at the end of the night
I don't like the crowds how you're in and out
Till you're lost in spinning around
No I don't want to be famous
Oooooh
I would rather be nameless I don't want to be famous

These Days I feel like giving up
Yeah and they say that I ain't worth much in this town
I don't need it to succeed
I won't feed the demons
I just have this feeling in my bones and these songs to believe in

I don't want to be famous
Don't put my name up in lights
Don't want to know what the pain is
When you call my name at the end of the night
I don't like the crowds how you're in and out
Till you're lost in spinning around
No I don't want to be famous
Oooooh
I would rather be nameless I don't want to be famous

I walk these streets alone
Until I find my heart beat
I walk these streets alone
I don't need you to find me
X2

Don't put my name up in lights
Cause I don't want to be famous

Don't put my name up in lights
Don't want to know what the pain is
When you call my name at the end of the night
I don't like the crowds how you're in and out
Till you're lost in spinning around
No I don't want to be famous
Oooooh
I would rather be nameless I don't want to be famous
