

Insanity and Genius (Remastered 2016)

Gamma Ray

Therefore I'm laying down in laughter
Mighty, the mightiest life hereafter
The trip we started hasn't finished here
And while we think there's not a shade of fear
Black points jump in crossing lines
Insanity and genius
Both two sides are what I find
And I know they're mine
Sometimes my womb bears an actor
Your mind - creating tragic factors
You've got knowledge - stolen from the sea
You've got wisdom - just stolen knowledge
Black points jump in crossing lines
Insanity's not far behind the genius inside
Close before - insanity and genius [repeat][Solo Dirk]
And everyday a dreamer dies
To see what's on the other side
And everyday more dreamers die, my friend
While black points jump in crossing lines again
Companions in approaching time
insanity and genius
Good old friends in common life
insanity and genius
Close before - insanity and genius [repeat]
