

You Got It All (Re-recorded)

The Jets

I, I was a game he would play
He brought the clouds to my day
Then like a ray of light
You came my way one night
Just one look and I knew You would make everything clear
Make all the clouds disappear
Don't you know, don't you know You got it all over him
You got me over him
Honey it's true
There's just you You must have been heaven sent
Hearing me call you went
Out on a limb
And you're all that he's not
Just look what I got
Cause you got it all
Over him No, don't let him worry you so
Once I met you I let go
Oh you can surely see
You're so much more to me
Just one look and I knew
You would make everything clear
Make all the clouds disappear
You're better than all the rest
Who do I love the best
Don't you know, don't you know You got it all over him
You got me over him
Honey it's true
There's just you
You must have been heaven sent
Hearing me call you went
Out on a limb
And you're all that he's not
Just look what I got
Cause you got it all
All over him
(You got it all over him,
You got me over him) Honey it's true there's just you
You must have been heaven sent
Hearing me call you went

Out on a limb And you're all that he's not
Just look what I got
Cause you got it all
All over him
