Don't Walk Away

Jade

Hi we are not in right now
But if you leave your name and number
We'll get back to youI've got all this love, waiting just for you
I just gotta know that your love is true
Can't keep running boy in and out my life
Wanna be your girl, not 'cause the mood is rightIf I let you come inside, tomorrow will you hide
Will you be there for me, when I need someone to hold
Baby don't misunderstand, I do want for my man
I just need a little time, before I invest you my love
Don't walk away boy, my love won't hurt you
Don't walk away boy, I'll be right there for youYou said all the things that I like to hear
You push all my buttons baby love to have close to me
Wanna feel your love wanna be for sure
That it's me you need baby each and every nightIf I let you come inside, tomorrow will you hide
Will you be there for me, when I need someone to hold
Baby don't misunderstand, I do want you for my man
I just need a little time, before I invest my love
Don't walk away boy, my love won't hurt you
Don't walk away boy, I'll be right there for youBaby don't misunderstand, I want you for my man
I need a little time before I give you my love
Don't walk away boy, I'll be right there for youDon't walk away
This is what is sounds like when we make loveDon't walk away boy
Don't walk away boy, I'll be right there for you
Don't walk away boy, my love won't hurt you
Don't walk away boy, I'll be right there for you
Don't walk away boy, my love won't hurt you
