At Least We Tried

Moby

Oh my baby, don't cry
Oh my babe, just say goodbye
Oh now baby, don't cry
Oh my babe, at least we tried
At least we tried to make it
But in these days I'm so confused
Oh my love, at least we had it
Let me hold on to you
Oh my baby, don't cry
Oh my babe, just say goodbye
Oh now baby, don't cry
Oh my babe, at least we tried
At least we tried but we lost it
I will remember

How you stood there and you smiling
And you smile there with me
Oh my baby, don't cry
Oh my babe, just say goodbye
Oh now baby, don't cry
Oh my babe, at least we tried
Oh my baby, don't cry
Oh my babe, just say goodbye, say goodbye
Oh now baby, don't cry
Oh my babe, at least we tried, oh
Oh my baby, don't cry
Oh my babe, just say goodbye
Goodbye my baby, don't cry
Oh my babe, at least we tried, oh
