Something or Nothing

Turboweekend

There's never a day
When I've got nothing to do
Something to me
Might mean nothing to you
So don't don't don't don't
Look at me strangely now
We'll find the line
That's in the middle and run
Something, something or nothing
Something, something or nothing
You say you love to spend days
But I will save mine
Wait for the sun in your eyes
To turn the river to wine
But don't don't don't don't
Look at me strangely now
We're gonna find the line

That's in the middle and run
Something, something or nothing
Something, something or nothing
You say you love to spend days
But I will save mine
Wait for the sun in your eyes
To turn the river to wine
But don't don't don't don't
Look at me strangely now
We're gonna find the line
That's in the middle and run
Something, something or nothing
It's gonna be something, something or nothing
Something, something or nothing
While look at the something, something or nothing
