

# Neverland

## Bad Rabbits

No! I'll never grow up (grow up)  
But I'll overachieve, live out my dreams  
So, keep your mouth shut (mouth shut)  
'Cause I'm just tryin'-a do me You can call me crazy, stuck on stupid  
Call it teen-style angst, really it's the music  
Keeps me in my ways, it keeps me stable  
No I will not change, 'cause I'm not able Yeah  
Woo-hoo  
Yeah No! I'll never grow up (grow up)  
But I'll overachieve, live out my dreams  
So, keep your mouth shut (mouth shut)  
'Cause I'm just tryin'-a do me  
I'm-a live out my dreams Yeah  
Woo-hoo  
Yeah  
Woo-hoo It's not complicated, it's simple logic  
This is what I'm made for -- a workaholic  
I don't live for noise, just god and music  
Oh, you got a problem? Don't listen to me, yeah (Let the kids say)  
Yeah, woo-hoo  
(Let the kids play)  
Yeah, woo-hoo  
(Let the kids say)  
Yeah  
(Let the kids play)  
Woo-hoo  
(Let the kids say)  
Yeah  
(Let the kids play) No! I'll never grow up (grow up)  
But I'll overachieve, live out my dreams  
So, keep your mouth shut (mouth shut)  
'Cause I'm just tryin'-a do me  
I'm-a live out my dreams I'm on my hustle  
I'm on my hustle  
(No, no, we'll never grow up!)  
Keep on livin' that dream  
(No, no, we'll never grow up!)  
Keep on actin' like a kid  
(No, no, we'll never grow up!)

Keep hustling for real  
(No, no!)  
I'm-a live out my dreams No! I'll never grow up  
But I'll overachieve, live out my dreams  
So, keep your mouth shut  
'Cause I'm just tryin'-a do me  
I'm-a live out my dreams Yeah (yeah)  
Yeah (yeah)  
Yeah (We'll never grow up)  
I'm-a live out my dreams  
Yeah (yeah)  
Yeah (yeah)  
Yeah  
I'm-a live out my dreams
