

Fathers From the Suns

Kataklysm

[Act I - The Occurred Barrier]Fathers... From the Suns...

 The Vault of Millenniums.

 I address to the dual Keepers.

 The embraced Components misdivide the solemn
 Prevalence.

Let be the Matrix... And sunder the inert Barrier.Admire the universal Cosmoses... Seal the Virtues
 And Secrets.

 Adjure the Twilights of the Races... Proclaim the
 Symbol in Men.The wraths of influence transmitting the vibes
 Emitted by its
 Cove...Discover the wonders of Nations.

Thy inner cleanse in the Paradox... and triumph!Combine the Fields of infinities... Watch the trans-
 Sient Fraternities.

 Dissolve the Atoms in Miracles... Conjure the
 Waves of realities.The Occurred Barrier...

 Oh! Fathers from the Suns.

 The Crescent Stalkers.

 ... The Sylvanite Matrix.

 The Nexus Entities....

 Release the Void! Let us merge...

 Revive the Nexus! Marshal dirge...
 God...

 Release the Void! Let us merge...

Revive the Nexus! Marshal dirge...Limpid Questions transcribe the virility of the
 Archives.Cresent Moon shines bothways to the Answers

 Beyond.The Occurred Barrier...

 Oh! Fathers from the Suns.

 The Crescent Stalkers.

 ... The Sylvanite Matrix.

 The Nexus Entities...Fathers... From the Suns...
