Set Your Loving Free (Live In Manchester)

Lisa Stansfield

Baby don't go
You've nearly shown everything you are to me
Darling don't stray stay here with me
Because that's how it ought to beYou've come this far to see who you are
See the love inside yourself
So don't be afraid I'm holding your hand
Just let the love run freely through meYou're so tangled up in love
Searching for your soul, searching for yourself
So tangled up in love
That you can't see anything else[Chorus]
My oh my
Do I have to tell you how to live your life
Ooh baby don't you know, now that your mine
You've got to set your loving free[Chorus]Tell me you see all we can be
That we can be magical
Throw off your pride and show me inside
Show me what your frightened ofYou're so tangled up in love
Searching for your soul, searching for yourself
So tangled up in love
That you can't see anything else[Chorus]You're so tangled up in love
Searching for your soul, searching for yourself
So tangled up in love
That you can't see anything else[Chorus]
