

# It's Alright

## Pages

Up all night with the same thing in my head  
Just wanting you here next to me  
It's been a long time  
Don't you agree  
We can turn it all around if you say to me  
Say it's alright  
Change this situation  
It wasn't meant to be  
Don't you see  
It was alright  
We just let it slip away  
Oh darlin' I just wanna hear you say  
It's alright  
Don't you worry baby  
It's alright  
Ain't no secret I wanted you to stay  
Come on baby let me hear from you  
So many memories are rushing back again to me  
Remember how good things used to be  
And say it's alright  
End my desperation  
You can change it  
This wasn't meant to be a tragedy  
'Cause it was alright  
Till we let it slip away  
I wanna hear you say it's alright
