

# Chances

## Abja

Take all your chances while you can  
You never know when they'll pass you by  
Like a sum the mathematician cannot solve  
Like me trying my hardest to explain  
It's all about your cries and kisses  
Those first steps that I can't calculate  
I need some more of you to take me over  
    Take me over  
    If I had the chance to start again  
Then you would be the one I'd come and find  
    Like the poster of Berlin on my wall  
    Maybe there's a chance our walls might fall  
    It's all about your cries and kisses  
    Those first steps that I can't calculate  
    I need some more of you to take me over  
    It's all about your cries and kisses  
    Those first steps that I can't calculate  
    I need some more of you to take me over  
    I know I because I can't calculate  
        How to start again  
        How to start again  
        How to start again  
        How to start again  
        It's all about you
