Choose To Be Dancing

Donnie Mcclurkin

Another year another day
But this is the life or so they say
Another test another tear
I don?t want to stay here
What you gonna do
Through the storm and through the rain
What you gonna do
When you?ve gotta to start again
What you gonna do
When you?ve gotta face the pain
Yeah 5x
What you gonna do
When your moment comes around
What you gonna do
When life seems to get you down
What you gonna do
Tell me what will you choose
I choose to be dancing
I choose to be singing
I choose to be loving
Every moment I?m living
I don?t mind the crying
For life can be trying
But when its all said and done-said and done
I choose to be dancing
A pretty girl she can not walk
She?s in a chair we sit and talk
Her smile is bright I feel ashamed
No more complaining
What you gonna do
Through the storm and through the rain
What you gonna do
When you?ve gotta to start again
What you gonna do
you?ve gotta face the pain
Yeah 5x
What you gonna do
When your moment comes around
What you gonna do

life seems to get you down

What you gonna do
I don?t know about you but
I choose to be dancing
I choose to be singing
I choose to be loving
Every moment I?m living
I don?t mind the crying
Cause life can be trying
But when it?s all said and done
I choose to be dancing
I choose to be singing
I choose to be loving
Said every moment I?m living
I don?t mind the crying
Though life can be trying
But when it?s all said and done
Oh oooo
I choose to be dancing
I choose to be dancing
choose to be singing
choose to be loving
Every moment I?m living
I don?t mind the crying
Thought life can be trying
But when it?s all said and done- said and done
I choose to be dancing
I choose to be singing
I choose to be loving
Every moment I?m living
I don?t mind the crying
Though life can be trying
But when it?s all said and done -said and done
I choose to be dancing
I choose to be singing
I choose to be loving
Say it Every moment I?m living
Say it I don?t mind the crying
Though life can be trying
But when it?s all said and done
I choose to be dancing
La da da
