

Failure

The Ting Tings

F-A-I-L-U-R-E (Ooo)[Jules]
We might as well be giving up all the time
When we've got only one thing on our mind
So someone come and tell us what to do
We're so excited, so delighted[Katie]
Walk away
Crawl under the table, what I say
Oh, hold it in my hand now, what I may
And everything I do it gets replaced
I'm so excited, I'm delightedNot a lady
Not a legend
Not ordinary
Not alternative
No position
No religion
Nothin' related
