Let's Have a War (2009)

Fear

There's so many of us
There's so many of us
There's so many
There's so many of us
There's so many of us
There's so manyThere's so many of us
There's so many of us
There's so many
There's so many of us
There's so many of us
There's so manyLet's have a war
So you can go and die
Let's have a war
We could all use the moneyLet's have a war
We need the space
Let's have a war
Clean out this placeIt already started in the city
Suburbia will be just as easyThere's so many of us
There's so many of us
There's so many
There's so many of us
There's so many of us
There's so manyThere's so many of us
There's so many of us
There's so many
There's so many of us
There's so many of us
There's so manyLet's have a war
Jack up the Dow Jones
Let's have a war
It can start in New JerseyLet's have a war
Blame it on the middle-class
Let's have a war
We're like rats in a cageIt already started in the city
Suburbia will be just as easyThere's so many of us
There's so many of us
There's so many
There's so many of us
There's so many of us

There's so manyThere's so many of us
There's so many of us
There's so many
There's so many of us
There's so many of us
There's so manyThere's so many of us
There's so many of us
There's so manyLet's have a war
Sell the rights to the networks
Let's have a war
Let our wallets get fat like last timeLet's have a war
Give guns to the queers
Let's have a war
The enemy's withinIt already started in the city
Suburbia will be just as easyThere's so many of us
There's so many of us
There's so many
There's so many of us
There's so many of us
There's so manyThere's so many of us
There's so many of us
There's so many
There's so many of us
There's so many of us
There's so manyThere's so many of us
There's so many of us
There's so many
There's so many of us
There's so many of us
There's so manyThere's so many of us
There's so many of us
There's so many
There's so many of us
There's so many of us
There's so many
