Stacking millie, millie, got gold in my blood
Oh lawdy, lawdy, what have I done?

Play arenas every night, that's a gold tour
Baby bad just right, that's that goldie locks
He said baby you so tight, golden box
Gold on my thang and you nigga in my rang
Gold is my name erytime I hit the stage
Gold in my brain and it's running through my veins

Oh lawdy, lawdy, what have I done?
Stacking millie, millie, got gold in my blood
Goldblooded, goldbloodedHit house tree top floor, fort knox
I'll be mad good kid when I'm chilling on my yacht

Stacking millie, millie, got gold in my blood
Oh lawdy, lawdy, what have I done?
Stacking millie, millie, got gold in my blood
Goldblooded, goldbloodedGold bars, gold bitch from diamond bar
Gold bars, gold bitch from diamond bar
Gold bars, gold bitch from diamond bar
Gold bars, gold bitch from diamond barOh lawdy, lawdy, what have I done?
Stacking millie, millie, got gold in my blood
Oh lawdy, lawdy, what have I done?
Stacking millie, millie, got gold in my blood
Goldblooded, goldblooded
Gold on my thang and you nigga in my rang
Gold is my name erytime I hit the stage
Gold in my brain and it's running through my veins
