

Show Da Dj Some Luv

Kynt

The Dj is spinning for you
Making you move
Playing a groove and it's cool

You know what you've got to do
Bust a move
Let it loose
Stomp your boots

Cause you need to feel
Oh so real
Dancin through the night

Chorus:
Show Da Dj Some Luv
Luv, uv, uv
Show Da Dj Some Luv
Luv, uv, uv

Chant;
Throw your hands up for the dj
Throw your hands up for the dj
Throw your hands up for the dj
Throw your hands up for the dj

Show him some luv
Show him some luv
Show him some luv
