She Ain't Coming Back

Shawn Desman

Remember when you met her
you gave her all your time
You were so happy she liked you
You always listened to her and you
shared all your thoughts
and she was glad to have met you
As time went by she realazed that you changed
she cut her hair you didn't notice
a thing
you gatta do the things that you use to do 'cause if you don't shes ganna say to youShe ain't coming back no more
She ain't coming back no more no more
She ain't coming back no more
She ain't coming back no more no more
She ain't coming back no more this is what she'll say i ain't coming back no more and whatever we had is thoughNow you sit at home alone and you thinkin to yourself maybe i did do something wrong (wrong wrong)
and now its just to late and you tryed everything and
even think of her though.As time went by she realazed that you changed
she cut her hair you didn't notice
a thing
you gatta do the things that you use to do 'cause if you don't shes ganna say to youShe ain't coming back no more
She ain't coming back no more no more
She ain't coming back no more
She ain't coming back no more no more
She ain't coming back no more this is what she'll say i ain't coming back no more and whatever we had is thoughohhhhhhh oh oh oh ohhhhhhhhhhhhhh oh oh oh
[Man speaks]
[Girl Speaks]She ain't coming back no more
She ain't coming back no more no more
She ain't coming back no more
She ain't coming back no more no more
She ain't coming back no more this is what she'll say i ain't coming back no more and whatever we had is though
