

# That Smell

## Lynyrd Skynyrd

Whiskey bottles, and brand new cars  
Oak tree you're in my way  
There's too much coke and too much smoke  
Look what's going on inside youOoooh that smell  
Can't you smell that smell  
Ooooh that smell  
The smell of death surrounds youAngel of darkness is upon you  
Stuck a needle in your arm  
So take another toke, have a blow for your nose  
And one more drink fool, will drown youOoooh that smell  
Can't you smell that smell  
Ooooh that smell  
The smell of death surrounds youNow they call you Prince Charming  
Can't speak a word when you're full of 'ludes  
Say you'll be all right come tomorrow  
But tomorrow might not be here for youOoooh that smell  
Can't you smell that smell  
Ooooh that smell  
The smell of death surrounds youHey, you're a fool, you (2:30)  
Go on stick them needles in your arm (2:34)I know I been there before (2:50)One little problem that confronts  
you (3:28)  
Got a monkey on your back  
Just one more fix, Lord might do the trick  
One hell of a price for you to get your kicksOoooh that smell  
Can't you smell that smell  
Ooooh that smell  
The smell of death surrounds you  
Ooooh that smell  
Can't you smell that smell  
Ooooh that smell  
The smell of death surrounds youHey, you're a fool, you  
Go on stick those needles in your arm  
You're just a fool, just a fool, just a fool
