Old Fools

Admiral Fallow

Old fools, dancing
Old fools who believe
That they can dance and sing
And fall in love
After all, love
Old wines, old shoes
Old lines who would've thought
They would ever reuse
Like I, love you
Surprise I, love you

Flowers, long drive
Old fools, new lives
Old fools, dancing
Old rules take the
Backseat to new romancing
Long drives, flowers
Old fools, new lives
