Shake Your Coconuts (Album Version)

Junior Senior

Come on!
Oh Yeah!
Come on! Come on!
Come on! Come on!

Shout!
ooa, ooa

Come on in! hang your coats
eat our chips, come on! we've got loads
Shake your coconuts, coco boys!
until the nut comes out, come on! coco girls!

Just keep on dancing now
just keep on getting down
just keep on having fun
the party's just began

Just keep on dancing now
just keep on getting down
just keep on having fun
the party's just began

All dress up, and dress-to-kill
doctor says, come on! eat your pills!
Shake your coconuts, coco boys!
until the milk comes out, come on! coco girls!

Just keep on dancing now
just keep on getting down
Just keep on having fun
the party's just began

Just keep on dancing now
just keep on getting down
Just keep on having fun
the party's just began

It's junior/senior time to show us you care, hey!
Just feel the power put your hands in the air, hey!

Hey boys and girls we want to see what you got, hey!
We want to see you shaking co-co-nuts!
Shake it!

We'll get up, to sing some music (?)
We'll get down, to pass the time (?)
Shake your coconuts, Come on, coco boys!
Shake you coconuts, Come on, coco girls!

Just keep on dancing now
just keep on getting down
Just keep on having fun
the party's just began

Just keep on dancing now
just keep on getting down
Just keep on having fun
the party's just began

Just keep on dancing --now
just keep on getting-- down
Just keep on having fun
the party's just began
