

Can't Take My Eyes Off You

[Vic Damone](#)

You're just too good to be true
Can't take my eyes off you
You'd be like heaven to touch
I wanna hold you so much
At long last love has arrived
And I thank God I'm alive
You're just too good to be true
Can't take my eyes off you Pardon the way that I stare
There's nothing else to compare
The sight of you leaves me weak
There are no words left to speak
But if you feel like I feel
Please let me know that it's real
You're just too good to be true
Can't take my eyes off you I love you baby, and if it's quite all right
I need you baby to warm the lonely night
I love you baby
Trust in me when I say
Oh pretty baby, don't bring me down, I pray
Oh pretty baby, now that I found you Stay And let me love you, baby Let me love you
You're just too good to be true I love you baby, and if it's quite alright,
I need you baby to warm the lonely night
I love you baby
Trust in me when I say
Oh pretty baby, don't bring me down, I pray
Oh pretty baby, now that I found you Stay And let me love you baby
Let me love you
