Do You Remember

Phil Collins

We never talked about it
But I hear the blame was mine
I'd called you up to say, "I'm sorry"
But I wouldn't wanna waste your time'Cause I love you but I can't take any more
There's a look I can't describe in your eyes
We could try like we've tried before
Would you keep on telling me those lies?Do you remember?
Do you remember?There seemed no way to make up
Because it seemed your mind was set
And the way you looked and told me
That's a look I know I'll never forgetYou could've come over to my side
You could've let me know
You could've tried to see that distance between us
But it seemed too far for you to goDo you remember?
Do you remember?Through all of my life
In spite of all the pain
You know people are funny sometimes
'Cause they just can't wait to get hurt againTell me do you remember?There are things we won't recall
And feelings we'll never find
It's taken so long to see it
'Cause we never seemed to have the timeThere was always something more important to do
More important to say
But "I love you" wasn't one of those things
And now it's too lateDo you remember?
Tell me do you remember?Do you remember?
Tell me do you remember?
Tell me now, tell me now
Tell me now, tell me now
Do you remember?Do you? Do you? Do you? Do you?
Do you remember?
Do you remember?Do you remember? Now it's over
Do you remember? Ooh it's over
...
