

Don't Slow Down

Matt & Kim

Locked knees, no keys
Brooklyn, Grand Street
Four flights, late nights
Black socks, white dice
Ten pounds, loud sounds
Turned up, tied and boundDon't slow down
Don't slow down
Don't slow down
Don't slow downDon't slow down
Fire escapes sunny
Don't slow down
Butter and honey
Don't slow down
Iron and money
Don't slow downDon't slow down
Pen versus pencil
Don't slow down
I don't make the rules
Don't slow down
Physical mental
Don't slow downDon't slow down
Don't slow down
Don't slow down
Don't slow downDon't slow down
Don't slow down
Don't slow down
Don't slow downGardens and trashcans
Hoodies and Chuck T's
Arms fingers and hands
Don't slow down
Don't slow downI'm feeling restless
Don't slow down
Summons and sentence
Don't slow down
We've made some messes
Don't slow downDon't slow down
Don't slow down
Don't slow down
Don't slow downDon't slow down

Don't slow down
Don't slow down
Don't slow downDon't slow down
Don't slow down
Don't slow down
Don't slow down
