Jody

Kalapana

TALKING:
Everybody wants Jody
Everybody wants Jody
Everybody wants you, girl
Everybody wants you, babyVERSE 1:
Diamonds on the left
Stars on the right
Be my girl from early in the night
She don't need protection
She don't have to fight
She just start to live
And says she mightB-SECTION 1:
You can't explain it
Made you weak
Make your body wreak, ha
You can't contain it
What she's got
Man, it's much too hotCHORUS:
Everybody wants a piece of Jody
Wants a taste of the cake
Everybody wants some of Jody
All the love they can take
(2X)VERSE 2:
The way she moves her hips
Cannot be denied
She says she's gonna love ya
'Til you drop
World's spinnin' 'round
When you close your eyes
Then you must be learnin' how to flyB-SECTION 2:
It must be voodoo
How she got you wired
Walking thru the fire
And she just to you
You could lose your mind
But she's so damn fineCHORUS 2XBREAKDOWN:
Jody
JodyEverybody wants you, babyWork, work (8X)REPEAT B-SECTION 1:
You can't explain it

Made you weak
Make your body wreak, ha
You can't contain it
What she's got
Man, it's much too hotCHORUS 6X
