

Real Deal

Doug Crawford

Real who /real deal
Real what /real recognize real
Ask around my name commands respect
Been long timing coming & I'm here to collect
Real who /real deal
Real what /real recognize real
Better write ur will / I'm going in for the kill
Ask around I'm the mother fucking real dealThey ask who I am I reply im Edmonton
Ones ain't with me fuck it I'm dead to themClaiming undefeated but u gone take a loss
Plus the Bill 4 the ambulance now how much did it cost / starting to go softAt this point in my life I spent 2
much time
Or now it's my time
Sweat blood & tears to not get what's miNePlus Momma used to say every man has his day
But they to scared 2 face me & just look the other wayCHROUS
Real who /real deal
Real what /real recognize real
Ask around my name commands respect
Been long timing coming & I'm here to collect
Real who /real deal
Real what /real recognize real
Better write ur will / I'm going in for the kill
Ask around I'm the mother fucking real dealRunning at the mount but I'm gone get revenge
Lets get one thing clear u & I will not b friends
Soon as my feet hit the pads that's when I taking ends
2 walk in but only one left breathing oxygen
Welcome to e town where u leave beat down
No more visa problems u can see me on TV now
Now that I'm here I ain't leaving
U r now tuned into G'd up seasonCHROUS
Real who /real deal
Real what /real recognize real
Ask around my name commands respect
Been long timing coming & I'm here to collect
Real who /real deal
Real what /real recognize real
Better write ur will / I'm going in for the kill
Ask around I'm the mother fucking real deal
