Too Close

Blue

All rise
Too close
Check it out
Baby, when we're grinding
I get so excited
Ooh, how I like it
I try but I can't fight it
Oh, you're dancing real close
Plus it's real, real slow
You're making it hard for me
All the slow songs you requested
You're dancing like you're naked
Oh, it's almost like we're sexing
Yeah, boo, I like it
You know I can't deny it
But I know you can tell I'm excited, ooh, girl
Step back, you're dancing kinda close
I feel a little pull coming through on you
Now girl, I know you felt it before you know I can't help it
You know what I wanna do
Baby, when we're grinding
I get so excited
Ooh, how I like it
I try but I can't fight it
Oh, you're dancing real close
Plus it's real, real slow
You know you're making it hard for me
Baby, us dancing too close, ain't a good idea
'Cause I'm a want you now and here
The way that you shake it on me
Makes me want you so bad sexually, oh, girl
Step back, you're dancing kinda close
I feel a little pull coming through on you
Now girl, I know you felt it before you know I can't help it
You know what I wanna do
Baby, when we're grinding
I get so excited
Ooh, how I like it
I try but I can't fight it

Oh, you're dancing real close
Plus it's real, real slow
You know you're making it hard for me
I love it when you shake it like that
I see that you like it like that
I love it when you shake it like that
I see that you like it like that
Baby, when we're grinding
I get so excited
Ooh, how I like it
I try but I can't fight it
Oh, you're dancing real close
Plus it's real, real slow
You know you're making it hard for me
Baby, go slow
Baby, when we're grinding
I get so excited
Ooh, how I like it
I try but I can't fight it
Oh, you're dancing real close
Plus it's real, real slow
You know you're making it hard for me
Baby, when we're grinding
I get so excited
Ooh, how I like it
I try but I can't fight it
Oh, you're dancing real close
Plus it's real, real slow
You're making it
