

# What a Difference You've Made in My Life

Ronnie Milsap

What a difference you've made in my life  
What a difference you've made in my life  
You're my sunshine day and night  
Oh, what a difference you've made in my life What a change you have made in my heart  
What a change you have made in my heart  
You replaced all the broken parts  
Oh, what a change you have made in my heart Love to me was just a word in a song that had been way overused  
But now I've joined in the singin'  
'Cause you've shown me love's true meanin'  
That's why I want to spread the news What a difference you've made in my life  
What a difference you've made in my life  
You're my sunshine day and night  
Oh, what a difference you've made in my life What a difference you've made in my life, listen to it  
What a difference you've made in my life  
You're my sunshine day and night  
Oh, what a difference you've made, yeah What a difference you've made in my life  
What a difference you've made in my life  
You're my sunshine day and night  
Oh, what a difference you've made  
Go ahead and sing it What a difference you've made in my life  
What a difference you've made in my life  
You're my sunshine day and night  
Oh yeah, sing it to me  
Oh what a difference you've made What a difference you've made in my life  
What a difference you've made in my life  
You're my sunshine day and night  
Oh, what a difference you've made  
What a difference you've made in my life
