

There's A Kind of Hush (All Over The World)

Herman's Hermits

There's a kind of hush all over the world tonight
All over the world you can hear the sounds of lovers in love
You know what I mean, just the two of us and nobody else in sight
There's nobody else and I'm feeling good just holding you tight
So listen very carefully, closer now
And you will see what I mean, it isn't a dream
The only sound that you will hear is when I whisper in your ear
I love you forever and ever
There's a kind of hush all over the world tonight
All over the world you can hear the sounds of lovers in love
So listen very carefully, closer now
And you will see what I mean, it isn't a dream
The only sound that you will hear is when I whisper in your ear
I love you forever and ever
There's a kind of hush all over the world tonight
All over the world people just like us are fallin' in love
Yeah, they're fallin' in love, hush, they're fallin' in love, hush
