

Whispering

Louis Armstrong

Whispering while you cuddle near me
Whispering so no one can hear me
Each little whisper seems to cheer me
I know it's true dear....there's no one but you I'm a singin' Whispering why you'll never leave me
Whispering why you'll never grieve me
Whisper and say that you believe me
Whispering that I love you (instrumental break) Whispering while you cuddle near me
Whispering so no one can hear me
Each little whisper seems to cheer me
Just whispering that I love you
