

Ride for You (Brutal Bill Mix)

[Danity Kane](#)

Lately, Ive been tryna fight whatever's pulling us under
Its got a hold and really making me wonder
What it takes to get through, I gotta stick with you, my baby Baby tell me, maybe Im foolishly overreacting
But being without you I cant imagine
Its just too close to the heart
And I wont stand it, if we're broken apart Do you hear me?
Baby ya gotta believe in the things that make you and me win together
Dont you throw in the towel
Im keeping my promise to you, I got ya back now When the chips are down
And it seems like its so hard for you to move ahead
Just know that I'm by your side, there ain't no ifs, buts or maybes
Im gonna stay down and ride for you baby Weve been cutting it close with the backwards and forwards
Its rocking the boat, we gotta get control of this
Let's take it back to three years ago
When you said that we could make it through whatever, ever And to me it sounded like you meant forever, ever
Leaving was not an option, baby, never, never
Now don't you believe in a love that's worth a fight
In you is everything that I'm missing, so give us a chance Do you hear me?
Baby ya gotta believe in the things that make you and me win together
Dont you throw in the towel
Im keeping my promise to you, I got ya back now When the chips are down
And it seems like its so hard for you to move ahead
Just know that I'm by your side, there ain't no ifs, buts or maybes
Im gonna stay down and ride for you baby Dont you dare tell me we gotta let it go
We been on top for too long just to let it go under
I don't wanna hear that, I just can't hear that And know wherever you wanna take me I'll go
I been with you for too long to start over with another
I know that you hear me, just tell me you hear me Do you hear me?
Baby ya gotta believe in the things that make you and me win together
Dont you throw in the towel
Im keeping my promise to you, I got ya back now When the chips are down
And it seems like its so hard for you to move ahead
Just know that I'm by your side, there ain't no ifs, buts or maybes
Im gonna stay down and ride for you baby Im gonna stay down and ride for you baby
Im gonna stay down and ride for you baby
Im gonna stay down and ride for you baby
