

Do What You Like (X-Tended Club Version)

French Affair

Do what you like
What you want tonight
Show me all your lovin' and I make you high
Tell me what you like
It's burnin' in your eyes, baby
Don't be shy
Love has no disguise
Tell me what you like...
Do what you like...
What you want tonight...
Do what you like...If you want it like this
Or if you want it like that
You gotta tell me what's inside your mind
You gotta show me what you really like
If you want me to do
What you really want to do
You gotta show all your secrets to me
So I can seeTell me all your fantasies
And I will tell you mine
I want you close to me
I want you for tonight
Gotta let your body flow
I don't see nothing wrong
Baby, don't go slow
And keep it goin' onDo what you like
Tell me what you like...
Do what you like...
What you want tonight...
Do what you like...Ecoute-moi - assies toi - laisse toi faire
Laisse ton coeur parler - laisse ton coeur rever-
Laisse toi faireIf you want to make it real
What you really, really feel
You gotta tell me and express yourself
Don't put your lovin' on the shelf
If you want us to be one
Not only have some nights of fun
You gotta show all your secrets to me
So I can seeTell me all your fantasies
And I will tell you mine

I want you close to me
I want you for tonight
Gotta let your body flow
I don't see nothing wrong
Baby, don't go slow
And keep it goin' on Do what you like?
Do what you like?
Do what you like
Do what you like
Do what you like
Do what you like
